

Barn Items

Our Barn is ready to EXPLODE !! We are already overstocked, and we still receive **new items daily!** As an example of our large selection of assorted items, you will see the following as you enter the barn.

On your left will be our dazzling assortment of jewelry, some fine, others costume.

Behind this section you will see shelves of assorted games and puzzles, this will lead you into our toy section.

We have an area of very nice glassware, this includes fine stemware and dessert dishes. You will see a large area of fine china, everyday dinnerware and assorted bric-a-brac. In this area we also have an assortment of pocketbooks.

Our kitchen section has a vast variety of cooking utensils, pots and pans, assorted bakeware and other gadgets and items you need for your kitchen.

We also have baskets galore, frames, variety of furniture, photo albums and a religious section.

We also have a back room which contains lamps, holiday items, clocks, tapes and sewing items. Our men's collection of tools and the like are stored behind the barn. PLUS we have more "stuff" outside.
